ACKNOWLEDGMENTS

Sreshtha :)

Thanks to my parents and brother. Without you guys to drive ~~over~~ me over the ^{this} damn edge I never would've achieved. Also thank you Zanib for doing this with me and thanks Mr. Reid for teaching me German.

Zanib :

For this comic I am indebted to many. First and foremost to my mom and my family. Secondly is 7P. They are the best form and I am forever grateful. A massive thanks to Herr Reid our German teacher. Your lessons are amazing and fun and we love them. Sreshtha my co-writer, friend. She turned this book around and made it funny. I would have never achieved this without her. Thanks a bunch.
